**ASSISTANT VETERAN SERVICE OFFICER COMPENSATION**

Charbarneau discussed her meeting with Walters in regards to the job description duties and compensation details for the Assistant Veteran Service Officer position; brief discussion held. Motion made by Cushing to proceed with this position at the current pay grade. Second by Hintz. Charbarneau explained that the pay grade was determined based on the veteran status, education and experience requirements of the position in accordance with where it fell on the Carlson-Dettman wage plan. Discussion held on the committee needing to bring deviations of the wage plan to the County Board for approval. Charbarneau provided further explanation on how pay levels are determined on the Carlson-Dettman wage study plan and noted that the Assistant Veteran Service Officer position was upgraded during the last wage study. Second by Paszak. All members present voting 'Aye'. Motion carried.

### **EMPLOYEE VOLUNTARY BENEFITS**

Charbarneau states this Committee has discussed voluntary benefits in the past and the local AFLAC representative has now approached Charbarneau regarding several voluntary benefit programs they would like to offer to Oneida County employees. Charbarneau notes these programs would cost the county nothing. The AFLAC representative would come to the Courthouse to meet with employees to discuss the programs offered and help interested employees sign up for the benefits. Brief discussion led by Hintz on other voluntary benefit programs available. Fried voiced concerns about going with one vendor for these benefits and this may lead to other vendors wanting to come in as well. Fried feels it would be better if the vendor would offer a discount but employees would need to approach the vendor off county grounds if they wanted more information or to sign up for the programs offered. Charbarneau agrees that the county has been approached by many vendors over the years. Motion by Fried to take this discussion back to the vendor and bring back to the committee for further review if deemed necessary. Second by Hintz. All members present voting 'Aye'. Motion carried.

Charbarneau reports that an employee of the Oneida County Sheriff's Office is interested in taking this position. Filling this vacancy will be reviewed by the Highway Committee at their meeting tomorrow. Bennett notes that, if approved, this will be the fifth new employee his department will be training this year and the training takes quite a bit of time. Brief discussion held on the training process and pay/benefits offered by the townships. Motion by Paszak to approve filling the Mechanic/Equipment Operator position contingent on approval by the Highway Committee. Second by Pederson. All members present voting 'Aye'. Motion carried.
